

Calvin E. Beebe

#### Technical Specialist II – Mayo Clinic

Working as a Technical Specialist II, in the Clinical Integration and Exchange Unit, within the Mayo Integrated Clinical Systems Division and as Chief Architect on the SHARPn and SE MN Beacon projects, Calvin has over 31 years of experience in healthcare information systems design, development and support. Over the last dozen years, Calvin has represented Mayo Clinic at Health Level Seven, International. In that capacity, he currently serves as co-chair to the Structured Documents Work Group, co-chair to the Structure and Semantic Design Steering Division and member to the Technical Steering Committee. In addition, as one of the co-authors of the Clinical Document Architecture, (CDA) Release 2.0 and author of the CDA Certification Exam, Calvin has presented numerous times on HL7's CDA standard at HL7 Ed Summits and Work Group meetings. In January 2013, Calvin will assume a new role at HL7, as a newly elected member to the Board of Directors.
